

QSerialPort

```
classDiagram
    class SerialPort
    class QSerialPort
    SerialPort --|> QSerialPort
```

The diagram illustrates an inheritance relationship between two classes. At the bottom is a box labeled 'SerialPort' with a black border and a light gray fill. A solid blue arrow points vertically upwards from the top center of the 'SerialPort' box to the bottom center of a box above it. The top box is labeled 'QSerialPort' and has a thin gray border and a white fill. This visualizes 'QSerialPort' as a subclass of 'SerialPort'.
